Why: Many children find themselves in a court room where a judge is deciding their future. We need CASA because all advocates are volunteers that can provide independent information and ensure all parties are hearing the child's wishes. Children who have a CASA Advocate will spend less time in foster care and are less likely to re-enter the system.

Who: Yakama Nation CASA is seeking community members that have strong writing skills, organized, dependable and passionate about ensuring the future of the community.

What: Yakama Nation Head Start has an upcoming training that will meet every Friday for three weeks.

Where: Yakama Nation Headstart (Wapato Center)

Address: 1240 Campbell Rd, Wapato, WA 98951
