HIGH SCHOOL STUDENT ASSISTANCE APPLICATION

The Yakama Nation Tribal Council and Education Committee approved financial assistance for high school students who participate in college prep programs while still attending high school. These funds are intended to assist the student with costs related to the college prep courses designed to give students a head start in their college tracks in pursuit of a college degree.

I understand by my signature below that the student application is to assist with actual expenses for this unique G.E.A.R. UP and/or Running Start College prep program(s) and will be used in accordance with policies governing the Yakama Nation College Student Assistance Programs for academic achievement. Should the student fail to meet academic requirement of a minimum 2.0 GPA of any college courses they will be placed on academic probation the following term. Failure to meet the minimum GPA during probation will result in suspension from the program. Failure to meet the academic requirements due to withdrawing from the program will result in repayment of the total amount awarded to the student.
